DECISION APPROVING SETTLEMENT

Before: Judge Bulluck

This case is before me upon petition for assessment of civil penalty under section 105(d) of the Federal Mine Safety and Health Act of 1977 (the Act). Petitioner has filed a motion to approve settlement agreement and to dismiss the case. A reduction in penalty from \$554.00 to \$229.00 is proposed. The citations initial assessments, and the proposed settlement amounts are as follows:

<u>Citation No.</u>	<u>Initial Assessment</u>	<u>Proposed Settlement</u>
4426541	\$252.00	\$104.00
4426542	50.00	21.00
4426544	252.00	104.00
TOTAL	\$554.00	\$229.00 ¹

I have considered the representatives and documentation submitted in this case, and I conclude that the proffered settlement is appropriate under the criteria set forth in section 110(i) of the Act.

WHEREFORE, the motion for approval of settlement is **GRANTED**, and it is **ORDERED** that Respondent pay a penalty of \$229.00 within 30 days of this order.

Jacqueline R. Bulluck
Administrative Law Judge

¹Motion for Approval of Settlement and Order contains mathematical error totalling penalty at \$225.00, whereas \$229.00 is corrected sum.
